For the Complete Cure of Coughs, Colds,

Influenza, Asthma, Bronchitis, Spitting of Blood and all other Lung Complaints tending to Consumption.

THIS preparation is getting into use all over our country. The numerous letters we receive from our various agents, informing us of cures effected in their immediate neighborhoods, warrant us in saving it is one of the best. If gonts, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very best Cough Medicine now before the public.—
It almost invariably relieves and not unfrequently cures the very worst cases. When all other Cough preparations have failed, this has relieved the patient, as Druggists, dealers in Medicines, and Physicians can testify. Ask the Agent in your nearest town, what has been his experience of the effects of this medicine. If he has been selling it for any length of time he will tell you it is the best medicine extant. Below we give a few extracts from letters we have received leastly regarding the virtues of this medicine.

Dr. S. S. Oslin, of Knoxville, Ga., says.—I have been using your Liverwort and Tar very extensively in my practice for three years past, and, it is with pleasure I state my belief in its superiority over all other articles with which I am acquainted, for which it is recommended.

Messrs. Fitzgerald & Brenners, writing from Waynesville, N. C., says:—The Liverwort and Tar is becoming daily more popular in this country, and we think Justly so. All who have tried it speak in commendable terms of it, and say it is very beneficially alleriating the complaints or which it is recommended.

Our Agent in Pickens District, S. C., Mr. S. R. McFall, assures us that he uses it with great benefit in his own family and recommends it to his neighbors. "He gives as instance."
